

POOL MANIA

About

Step into **Pool Mania**, the ultimate pool experience. Whether you're a pro or just starting out, the game offers a variety of modes like Snooker, 8-Ball, 9-Ball, and 8 UK Ball, all with beautifully smooth physics and realistic graphics.

Play in stunning 3D or enjoy a more classic feel with 2D views—whatever suits your style. Challenge friends in private rooms, compete against players worldwide, or practice your skills with our advanced AI opponent.

With intuitive controls, regular updates, and a constantly evolving experience, Pool Mania delivers endless fun and challenge. The game is always on, and the perfect shot is just a cue away.

Why

?

A mode for every fan

From Snooker 8-Ball, 9-Ball to and 8 UK Bal, Pool mania has a mode for every pool lover!

Sneak peek: More game modes are on the way!

Advanced AI for Solo Play

Level up your game with our mutli-difficulty Ai Player that challenges your skills whether you're a pro or just beginning your journey.

Realistic Physics & Stunning Graphics

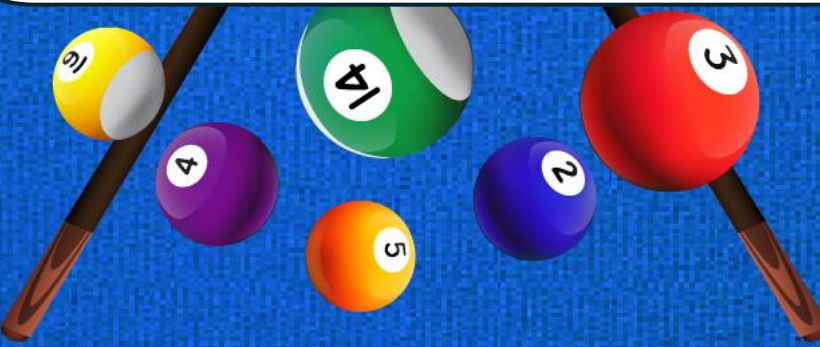

Experience lifelike ball movement and smooth gameplay with cutting-edge physics. Stunning 3D visuals bring the game to life, creating an immersive pool experience.

MAIN FEATURES:

Multiple Game Modes

Pool Mania brings a wide variety of pool experiences to your fingertips. Whether you're a fan of the precision and strategy of Snooker, the fast-paced excitement of 9-Ball, the classic appeal of 8-Ball, or the British twist of 8 UK Ball, there's a mode for everyone. If you're just starting out, the Practice Mode gives you a chance to hone your skills at your own pace, making sure you're always ready for a real challenge.

MAIN FEATURES:

AI Gameplay

Never worry about a lack of opponents. Pool Mania offers intelligent AI gameplay in all supported game modes, so you can practice, compete, and enjoy the game no matter the time of day. Our AI is designed to adapt to your skill level, providing both relaxed matches for beginners and tough challenges for seasoned players. Perfect for solo gameplay when you're not up for a live match but still craving a great game.

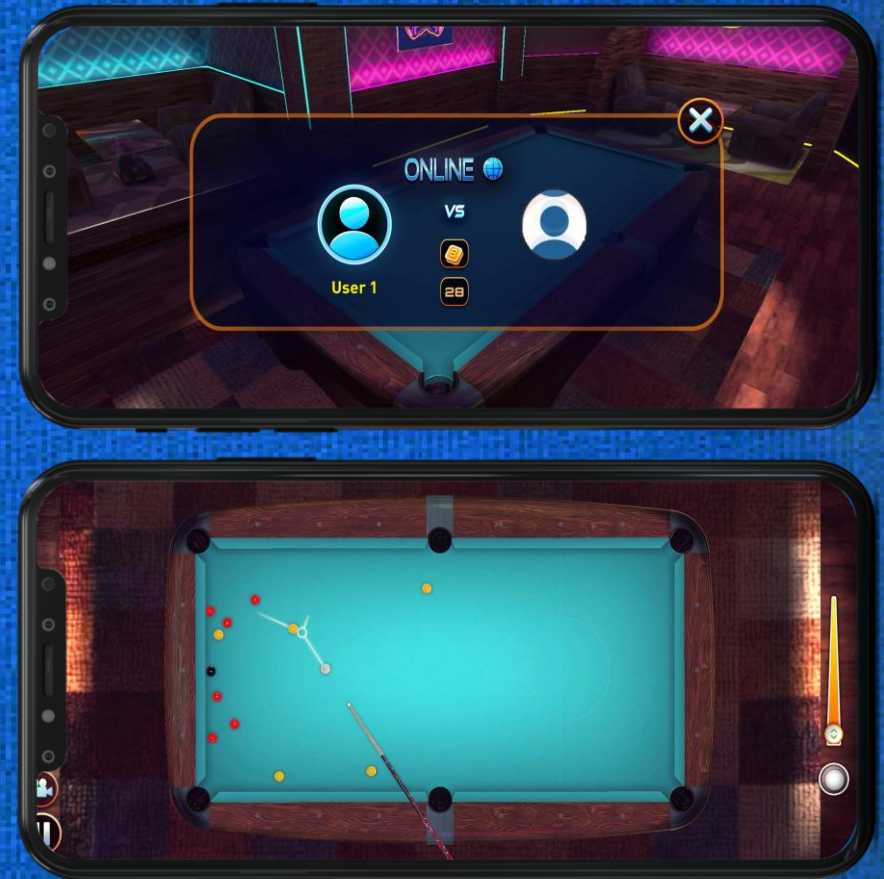

MAIN FEATURES:

Online Gameplay

The world of Pool Mania is always buzzing with action. Take your skills online and compete against random players from around the globe. Every match is an opportunity to face off against new opponents, learn different strategies, and rise through the ranks. The online competitive scene is vibrant, giving you endless chances to prove your skills in exciting, real-time gameplay.

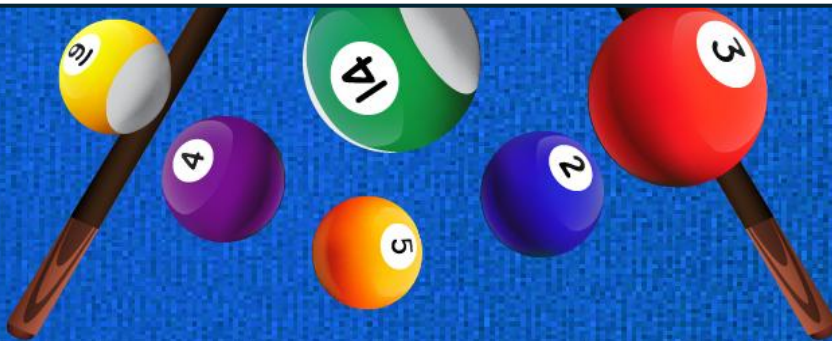

MAIN FEATURES:

Private Rooms

Bring the fun to your friends and family with Pool Mania's private rooms. Create a custom room, invite your loved ones, and enjoy a private, friendly match in any of the supported game modes. Whether you're challenging your best friend or having a family tournament, playing in private rooms keeps the fun personal and social—just like a real-life pool table at home.

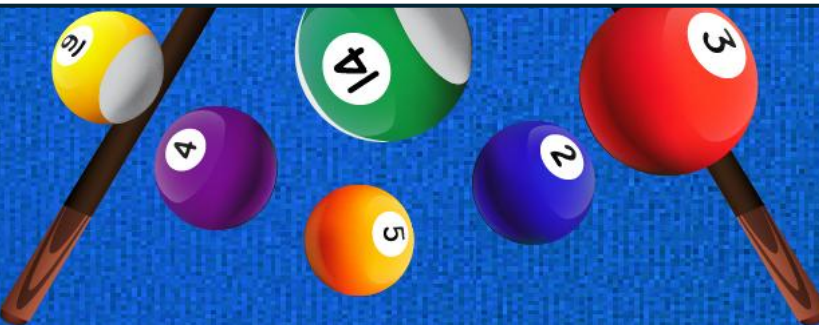

MAIN FEATURES:

3D and 2D Gameplay

Immerse yourself in the dynamic world of Pool Mania with the option to play in stunning 3D or switch to a classic 2D view. The 3D mode offers an immersive experience with realistic ball physics and lifelike environments, while the 2D mode keeps things sleek and straightforward for those who prefer a more traditional feel. Whatever your preference, Pool Mania lets you enjoy the game your way.

Coming Soon

MAIN FEATURES:

Teams' Mode (2 Vs 2)

Get ready to double the fun! Pool Mania is introducing an exciting new Teams' Mode, where you and a partner can take on other teams in epic 2 Vs 2 matches. Team up with a friend and strategize together to outsmart your opponents. The thrill of playing as a duo will bring a fresh layer of excitement to the game, perfect for competitive players looking for a team-based challenge.

MAIN FEATURES:

Audio and Text Chat

Communication just got easier! Pool Mania will soon feature both audio and text chat options during gameplay, allowing you to interact with your opponents and teammates in real time. Trash talk, strategize, or just have fun chatting while you play—whether you're in a private room with friends or facing off against players worldwide, it adds a whole new dimension to the competitive experience.
